REACH Program
Course listing and Placement requirements
2026-2027

Minneota High School

Students must meet the eligibility and placement requirements listed below for each REACH concurrent enrollment class with Minnesota West Community and Technical College. Students not meeting these requirements may be eligible under the Multiple Measures Course Placement initiative, or by using a waiver, and should talk to their guidance counselor or course instructor for more information. All waivers must be approved prior to the course start.

Students must meet the following eligibility requirements:

1. High school GPA of 2.0 is required for REACH program acceptance.
    - If 2.0 high school GPA isn't met a REACH Exception form may be completed. Minnesota West may limit the number of courses/credits taken.
2. General Education Courses requiring a Reading score - Next Gen Accuplacer, 250; Reading ACT, 21; ACT Scores - 21 or higher or HS GPA 2.6
3. Math Courses have 2.8 High School GPA requirements and/or MATH 1111 ACT 22; Next Gen Acc 250-262, MATH 1113/1118 ACT 23; Next Gen Acc 263-275 and MATH 1121 ACT 24; Next Gen 276-300.
4. 10th graders must meet MCA score requirement for Reading to be eligible for REACH. 1 course in CTE area first semester and after a successful/passing 1st semester then 10th grader can take any course(s) 2nd semester.

Courses with no additional placement requirements

Course	*Instructor*	*College Course*	*Credits*	*Semester*
Intro to Animal Science	Buysse	AGRI 1101 – Intro to Animal Science	3	Spring
Principles of Agronomy	Buysse	AGRI 1102 – Principles of Agronomy	3	Fall
Intro to Business	Moriarty	BUS 1101 – Intro to Business	4	Fall
Chemistry I	Clausen	CHEM 1101 – General Inorganic Chemistry I	4	Fall
Chemistry II	Clausen	CHEM 1102 – General Inorganic Chemistry II	4	Spring

Courses requiring one of the following Reading scores: Classic Accuplacer, 78; Next Gen Accuplacer, 250; Reading ACT, 21; MCA, 1047

Course	*Instructor*	*College Course*	*Credits*	*Semester*
Basic Nutrition	Bot	HLTH 2240 - Basic Nutrition	3	Spring

Courses requiring one of the following Math scores: Classic Accuplacer Elementary Algebra, 51 and College Level Math, 40; Next Gen Accuplacer QAS, 263, or AAF, 200; Math ACT, 19; MCA Math, 1148

Course	*Instructor*	*College Course*	*Credits*	*Semester*
Statistics	Panka	Math 1105 – Intro to Prob & Stats	4	Spring

Courses requiring one of the following Math scores: Classic Accuplacer Elementary Algebra,75 or College Level Math, 50; Next Gen Accuplacer AAF, 250; Math ACT, 22; MCA Math, 1158

Course	*Instructor*	*College Course*	*Credits*	*Semester*
College Algebra	Panka	Math 1111 – College Algebra	3	Fall

Courses requiring one of the following Math scores: Classic Accuplacer College Level Math, 85; Next Gen Accuplacer AAF, 250; Math ACT, 23

Course	*Instructor*	*College Course*	*Credits*	*Semester*
