## May 2026

### From the desk of Mrs. Coschigano

The final countdown has begun! It seems each school year moves faster than the previous one, and this year was no exception. It was a big year for the GNE Gifted group, and I am so proud of everything my students have accomplished, including:

-Our 5th and 6th grade had great success in the Stock Market Game, with two teams placing 1st and 3rd in our region (out of 127 teams)!

- After virtually submitting their projects, our 4th graders moved on to the State Invention Convention, and two qualified to move on to the National Invention Convention!!

Thank you for another fabulous year!  
Happy Summer!!
