EXTRA MILE AWARD

Please join us in congratulating the Extra Mile Award winner for May, Mr. Hugh Dendy in transportation. He consistently goes above and beyond, demonstrating a level of commitment that truly sets him apart. His resilience and determination are inspiring. He takes on the complex task of coordinating all field trips and ensuring coverage for every route, often under tight constraints. Time and again, he finds solutions where none seem possible, earning him the well-deserved nickname “the miracle worker.” His ability to organize, adapt, and deliver results keeps everything running smoothly and supports the entire team. His positive attitude, reliability, and willingness to go the extra mile make a lasting impact on both his colleagues and the school system. We are lucky to have teammates like Mr. Dendy at Butts County School System.
