# Time Travelers & Future EXPLORERS CAMP

June 29<sup>th</sup> - July 2<sup>nd</sup> | HUES | Grades K-5 (26-27 Grade Level)

| 9am - 5pm |

FEE: \$320

**LAST DAY TO REGISTER: 6/16**

Dig into the past and blast off into the future in this hands-on science adventure! Campers will become junior archaeologists, paleontologists, engineers, and inventors as they explore ancient civilizations, dinosaur discoveries, and futuristic technology.

Students will excavate fossils, investigate artifacts like pottery shards and amber deposits, create ancient-inspired treasures, and uncover how scientists learn about the past. Then, campers will shift into innovation mode as they design submarines, boats, stomp rockets, spacecraft, and other sci-fi inspired creations while exploring the imaginative worlds of Jules Verne and Isaac Asimov.

Each day is packed with exciting STEM challenges, creative building projects, experiments, and teamwork. Campers will even build and take home their own sci-fi inspired light saber along with other amazing projects from the week!

### Important Information:

- Students must bring a bagged lunch each day.
- All students must be picked up by an adult 18 years or older.
