7th Grade Supply List 2026-2027

Dear Incoming Seventh Graders …. Welcome!

We're excited about this upcoming school year, and we can't wait to meet you! We hope that you will enjoy settling in as you become our beloved "Sevvies." Your success as a 7th grader will depend largely on your ability to **stay organized.** The weekly schedule can be confusing, so it is VITAL that you keep all of your papers and homework assignments in order.

Please shop over the summer to procure these items **before the first day of school, Monday, August 10**. Students should bring basic items to begin work on the first day: a planner, pens, pencils, and paper in a binder. Students will receive their locker number on their schedule.

- **A backpack** that fits inside your locker (*no more than 12" w x 28" h x 14" d*) and that does not have wheels is highly recommended. (*Rolling backpacks may not be allowed in classrooms.*)
- **Several 1½" binders (OR one or two larger binders if you want to keep materials for multiple subjects in the same binder)** for most of your academic subjects: English, Bible, Math, Science, and possibly electives, etc. As the year gets underway, you can determine which organizational system works best for you.
- **Binder dividers** (dividers within subjects will be determined by individual teachers, so please wait for instructions from your teachers about how to set these up).
- **8½" x 11" COLLEGE-RULED LOOSE-LEAF binder paper only. NOTE:** Please check the exact size requirements. Please do not purchase wide-ruled paper, and please do not purchase 8" x 10" paper.
- **Two 9"x11" college-ruled, spiral-bound notebooks with pocket folders inside** for Science and English. (No composition notebooks. They are too small).
- **Math calculator:** A TI-30X IIS model scientific calculator is required. Students will not be allowed to use any other calculator model.
- **Graph paper** (Algebra 1 and above)
- **Compass, ruler, and protractor** (for Geometry and above)
- ***Bible*** (New International Version 2011) – labeled with your name inside the cover.
- **For Bible Class**: Mead Composition Notebook, Wide Ruled Paper, 9-3/4" x 7-1/2", 100 Sheets; Plastic Pocket Folder with 3 Hole Punch for 3 Ring Binder.
- **Planner** which you will use to write down your nightly homework assignments
- **Regular #2 or mechanical pencils** with erasers (0.5 mm lead pencils are preferable)
- **Pencil pouch** (these get lost or left behind – **please put your name on or in it!)**
- **Small sharpener for sharpening pencils**
- **Colored pens** for correcting
- **Colored pencils** for illustrating and map work (required for Science and History and Bible)
- **Small pair of scissors**
