Other Notes

- 7th and 8th Grade Orientation will be held on August 12th. (Sign-up genius will be sent via email to families). If you have a family trip or conflict with this date, we will offer other dates before the start of the year. During orientation, students will receive their schedule with team, iPad, take their school photo, and become oriented with the building.
- Parents/guardians who want to volunteer for field trips or other opportunities, please make sure you are Kirkwood School District approved volunteer. If you are unsure if you are a cleared volunteer, please contact our main office at (314) 213-6180.
- Due to current iPads not including a 3.5mm headphone jack, students are required to have wired headphones that connect to the iPad's USB-C port. We recommend either purchasing a pair of USB-C headphones, or a USB-C to 3.5mm adapter that work with standard 3.5mm headphones.
