

Dear Families,

We're thrilled to continue [CHANGEMAKERS](#)—our innovative magnet program at Hilton Head Island Elementary, Middle, and High schools. As part of our ongoing program evaluation, students at these schools will be invited to complete a short survey between April 30, 2026, and May 22, 2026. This survey is a required part of the grant supporting CHANGEMAKERS, which is designed to provide a globally focused, inquiry-based education that empowers students to become thoughtful, engaged changemakers in their communities and beyond.

The purpose of this survey is to measure progress towards two key goals of the program:

1. **Global Citizenship:** This goal focuses on promoting interdisciplinary and life skills, particularly students' ability to understand their role in the world and take meaningful action.
2. **Student Agency:** This goal emphasizes the importance of students being able to manage their own learning and succeed in school, fostering independence and empowerment.

While this survey is optional and anonymous, it plays a vital role in helping us track the success of the program. Students may choose not to participate simply by not completing the survey. Additionally, we are providing links to the surveys for your review, so you can see the exact questions being asked.

If you have any questions or concerns about the survey, please feel free to reach out to [Megan Jarrett](#). Please notify your child(ren)'s principal if you would like your child(ren) to opt out of taking the survey by completing the below form and returning it to the school by May 20, 2026. We appreciate your support as we continue to grow the CHANGEMAKERS program and provide our students with exceptional educational experiences.
