Numbers only  
include valid  
surveys

## Safety, Danger, & Violence

In the past year, the percent of students who:

|                                                                                                                                          | 7th | 2024<br>9th | 11th | 7th | 2026<br>9th | 11th |
|------------------------------------------------------------------------------------------------------------------------------------------|-----|-------------|------|-----|-------------|------|
| have been <b>bullied</b> on school property                                                                                              | 36% | 21%         | 25%  | 38% | 26%         | 11%  |
| have heard students get <b>called mean names</b> or get <b>"put down"</b> one or more times                                              | 81% | 63%         | 61%  | 83% | 68%         | 50%  |
| felt <b>unsafe or very unsafe</b> at school                                                                                              | 4%  | 6%          | 4%   | 6%  | 4%          | 6%   |
| *During their life, reported that a <b>parent or other adult in their home most of the time or always insulted them or put them down</b> | 10% | 11%         | 10%  | 8%  | 5%          | 6%   |
| were <b>physically hurt on purpose</b> by someone they were dating or going out with                                                     | N/A | 8%          | 8%   | N/A | 5%          | 8%   |
| did something to <b>purposely hurt themselves</b> without wanting to die, such as cutting or burning themselves                          | 19% | 15%         | 14%  | 21% | 18%         | 14%  |

## Nutrition & Physical Activity

The percent of students who:

|                                                                                                                 | 7th | 2024<br>9th | 11th | 7th | 2026<br>9th | 11th |
|-----------------------------------------------------------------------------------------------------------------|-----|-------------|------|-----|-------------|------|
| are <b>overweight or obese</b>                                                                                  | 23% | 24%         | 19%  | 27% | 27%         | 29%  |
| report they are <b>trying to lose weight</b>                                                                    | 44% | 39%         | 41%  | 39% | 40%         | 40%  |
| did not eat <b>breakfast</b> in the past seven days                                                             | 7%  | 20%         | 22%  | 11% | 13%         | 22%  |
| were <b>physically active</b> for a total of at least 60 minutes per day on five or more of the past seven days | 64% | 66%         | 48%  | 60% | 74%         | 66%  |

\*Not in past year, data reflects "during their life"

## Alcohol, Tobacco, & Other Drugs

In the past 30 days, the percent of students who:

|                                                                                                              | 7th | 2024<br>9th | 11th | 7th | 2026<br>9th | 11th |
|--------------------------------------------------------------------------------------------------------------|-----|-------------|------|-----|-------------|------|
| used an <b>electronic vapor product</b>                                                                      | 3%  | 5%          | 16%  | 2%  | 6%          | 9%   |
| had at least one drink of <b>alcohol</b>                                                                     | 1%  | 4%          | 19%  | 1%  | 8%          | 13%  |
| used <b>marijuana</b>                                                                                        | 1%  | 4%          | 15%  | 1%  | 2%          | 7%   |
| who took <b>painkillers</b> such as OxyContin, Codeine, Vicodin, or Percocet without a doctor's prescription | 4%  | 4%          | 3%   | 2%  | 3%          | 3%   |

## School Involvement

The percent of students:

|                                                                                                                | 7th | 2024<br>9th | 11th | 7th | 2026<br>9th | 11th |
|----------------------------------------------------------------------------------------------------------------|-----|-------------|------|-----|-------------|------|
| who often or almost always <b>hated being at school</b> during the past year                                   | 52% | 50%         | 48%  | 50% | 46%         | 48%  |
| who have lots of chances to <b>talk with a teacher one-on-one</b> at school                                    | 79% | 84%         | 83%  | 80% | 83%         | 83%  |
| whose teachers <b>notice when they are doing a good job</b> and let them know about it                         | 58% | 49%         | 49%  | 57% | 53%         | 60%  |
| who have lots of chances to get involved in <b>sports, clubs, and other school activities</b> outside of class | 94% | 93%         | 87%  | 97% | 93%         | 92%  |

## Family Involvement

The percentage of students:

|                                                                                                                            | 7th | 2024<br>9th | 11th | 7th | 2026<br>9th | 11th |
|----------------------------------------------------------------------------------------------------------------------------|-----|-------------|------|-----|-------------|------|
| with people in their family who have <b>serious arguments</b>                                                              | 36% | 45%         | 44%  | 43% | 46%         | 52%  |
| whose parents <b>would not know if they did not come home on time</b>                                                      | 13% | 13%         | 13%  | 9%  | 8%          | 8%   |
| whose parents tell them they're <b>proud for something they've done</b>                                                    | 73% | 61%         | 66%  | 72% | 64%         | 61%  |
| who could <b>ask their parents for help</b> with personal problems                                                         | 82% | 78%         | 81%  | 86% | 85%         | 88%  |
| who slept away from their parents/guardians because they were <b>kicked out, ran away, or were abandoned</b> in last month | 1%  | 0%          | 5%   | 1%  | 2%          | 1%   |
