

June 2026

Dear New Preschool 4/5 Students,

One of our favorite things about Preschool 4/5 is creating a community of readers. That is why we want you to meet your new reading buddy, Stanley C. Tiger!

To get ready for next year, we want you to spend the summer reading with him. That means we want you to read often, read things that you enjoy, read in places you love, and with people that you love. Your tiger bookmark has some ideas for how to get you started, but you can also use this as your inspiration to be creative with where or when you read.

We would love to see you get caught reading with Stanley. Have a grown up snap a photo of you reading in any of the ways listed (or your own creative way) and upload it to the QR code below over the summer. We plan to kick off our first week of school with these fun photos and tales of all the great books we read this summer.

Happy Reading!

The P4/5 Teaching Team,

Mrs. Gregory (lgregory@stanleyclark.org) & Miss Allie

Mrs. Bobos (sbobos@stanleyclark.org) & Mrs. Gratrix
