June 2026

Hello, incoming preschool families!

We are so excited to meet you and your preschooler this August!

In preschool, we'll do so many fun things–building, pretending, painting, exploring nature, but one of our most treasured things is reading. That's why we are thrilled to introduce you to your summer reading buddy–Stanley C. Tiger! Stanley has some fun and adventurous ideas for enjoying books–like reading in a cozy spot, with someone you love, or in a creative new place. We hope you'll have lots of fun reading with him all summer long! Have a grown-up snap a picture of you reading in one of these ways (or come up with your own!) and upload it to the QR code below this summer. When school starts, we'll look at all the pictures together and share the stories we loved the most!

Happy Reading!
