Y11 – Y13 Business and Accounting Virtual Work Experience - Tuesday 26th and Wednesday 27th May, 10am - 4pm

Would you like to spend two days getting real, hands-on insight from some of the biggest names in global business — and walking away with the skills, connections, and confidence to launch your career? Whether you're considering a career in accounting, consulting, or finance join this 2-day virtual work experience that could transform the way you think about business.

Day 1 — Multi-Employer Showcase
Hear directly from BDO, Grant Thornton, S&W, and CIMA. Find out what it takes to thrive at a top firm, and start building your professional network from day one. Plus a business workshop with Dan Miller from The Apprentice, and also the CEO and Founder of Young Professionals.

Day 2 — A Full Day with KPMG (Big 4!)
Spend an entire day immersed in the world of one of the most prestigious firms in the world. Take part in workshops, tackle real business challenges, and pitch your ideas to KPMG professionals.

Open Farm Sunday at Harpur Adams University - 7 June.

Harpur Adams University is hosting Open Farm Sunday on 7 June. If you are interested in farming or agriculture this is for you. It will be a great opportunity to connect with farmers and discover the world of farming - producing food, nurturing nature, and protecting the environment for future generations.

Y12 Unifrog Virtual Summer School Mon 13 July – Weds 15 July

This July, Unifrog will be launching their first Virtual Summer School to Y12 students. This is a free, 3-day online programme to support you as you begin exploring university options and preparing for applications.

The programme will offer two hours of live sessions on each day plus optional project work. You can choose from the following subject strands: criminology and law, biomedical sciences, business and economics, engineering, or arts and humanities - each sponsored by a different university. The central skills sessions will encourage you to think at university level, build strong academic arguments, improve your reading, note-taking, and research technique, and perfect your personal statement. It will help you build confidence in your academic interests and gain practical skills to support your applications. Register through your Unifrog account.
