Welcome & Introductions

Approval of Minutes and Agenda

- Approved

Principal's Report:

- Safety
- Joy/ Learning
 - Testing for SC ready has started last week for reading and writing. This week is two days of Math and Friday will be science.
 - iReady testing starts for K-2 on Thursday May 7th.
 - Summer reading camp for grades 2-4
 - About 30 students
 - 3rd grade is a mandatory retention due to SC ready scores.
 - For students that need a little extra support on their reading to get them onto grade level.
 - Work Hard/ Play Hard

Old Business:

- Feedback
 - Teacher Appreciation Week
 - Went well for the teachers
 - Had different prizes for the teachers to win throughout the week.
 - Parents brought plenty of things to stock the fridge for the teachers in the staff kitchen.
 - Kids got to bring in small things to the teachers every day, and it was nice for students to not have to buy extravagant things for teachers.
- Celebrations
 - Marathon Mariners (Port Royal Run Club)
 - District dash on Saturday May 9th.
 - 8 students crossed the finish line, and staff members came to support!
 - Teacher of the Year and Staff Member of the Year were announced today.

- Susan Seckinger was Teacher of the year, and Liz Bornscheur was Staff member of the year. These ladies were celebrated with flowers and cheers from previous TOY and SOY, a member of the district, and the principal.

New Business:

- SIC participation
 - **Next year to send out a zoom link as an option for parents and community members to be able to join if they can't make it to the school.**
 - This will be helpful for parents and community members to see how the SIC works and see it is not as of a huge deal.
 - Partnering with a festival in Port Royal to be able to reach out to parents and community members that way.
 - Maybe in the fall right before our school of choice in November.
 - Mention the date of the SIC meetings during nights like Academic Arts nights or make a table for the SIC next year for the “Meet the Teacher” night. We can try to include a digital flyer or QR code to give to teachers and place them in folders as well.
- Goals
 - Try to get more members to the SIC and how we can keep them consistently.

Questions:

- Can we make a calendar invite with set dates that can keep people informed about the dates of the meetings?

Next Scheduled Meeting: Members agree to every 3rd Monday of each month to hold SIC meetings. The next meeting will be held **next year.**
