### School Climate Survey

Our school climate survey was delivered to parents and guardians directly through the PowerSchool Parent Portal on Monday, February 23, 2026. We are asking you to please take a moment to complete the anonymous survey. The survey must be completed by April 16, 2026. We appreciate your time in doing so. Below are links to the directions for accessing the 2026 Parent and Guardian School Climate Survey form through the browser and/or the PowerSchool Mobile App. Please click on the links below to get started:

### School Improvement Council

Our next SIC meeting will take place at 5:00 on April 6th. We would LOVE to have more parents participate. Please drop in and see what we are all about!

The SIC would like to work toward the goal of building teacher morale and strengthening teacher retention. Are you interested in helping with plans for Teacher Appreciation Week? Email Catherine Marks at [catherinemarks@gmail.com](mailto:catherinemarks@gmail.com).

## March MATHness!

Students in grades 1 to 5 are competing with students across the district to build the most math skills using iXL program! Encourage your child to complete the challenges at school and at home! If your child is not able to bring a device home, he/she can still access iXL through CLASSLINK. Use the link below for directions on how to access through a personal device.

## Attendance matters!

Students are working hard every day on the lessons that will help each meet the academic goals in Reading, Math, Science, & Social Studies. We encourage all students to arrive on time every day!

If you needs to be absent due to illness or a doctor appointment, be sure to send a written excuse for the absence. You can also using the easy link in the

ParentSquare email you recieve about your child's absence to send a message about the illness or doctor appointment.

Avoid unexcused absence records by ensuring we know about a lawful absence.
