

How to Register for Sports at OPRF

Step 1: Complete the online registration for 2026-2027. Registration can be done at [Snap Mobile](#). You *MUST* be an *ACTIVE OPRF* student in order to register for a sport. This must be done each season. If you have already registered for a sport in the past, use the same login to register again. See registration time periods below for each season.

Step 2: Get your annual physical exam.

The best date for a physical exam is after May 1 so it will not expire during the school year. (The physical exam is considered current for 395 days from exam date).

- **All returning athletes:** Submit the IHSA Physical Exam or have a physical on file that covers them through the entire season of competition.
- **All freshman athletes:** Can use their school entry physical to serve as the athletic physical.

Step 3: Students or parents must hand deliver or email completed annual physical exam forms to the Athletic Office. Do not mail forms or leave at the Welcome Center. Forms can be emailed to jelmiger@oprfs.org.

Please note that the first day of school is **August 24, 2026**. However, Fall sport tryouts for all Fall sports, with the exception of Tackle Football, will begin **Monday, August 10, 2026**. **Tackle Football will begin on Wednesday, August 5, 2026**. Students must be at tryouts starting **August 10, 2026 (August 5 for Tackle Football)** in order to participate in Fall sports.
