

Honors English 10 Summer Assignment

Congratulations, you've enrolled in **Honors English 10**. This course is designed to strengthen your reading, writing, speaking, and listening skills in preparation for AP Language, AP Literature, and beyond—while still leaving room for some fun along the way!

Don't delay. Begin today! Step confidently into the summer assignment. It is designed to help you begin working at the honors level by practicing the habits of strong readers, writers, and critical thinkers.

As an honors student, you are expected to approach this work with **focus, integrity, and responsibility**. How you manage your time this summer and the effort you put into your preparation for and reading of the novel will set the tone for your success in the fall.

Plan ahead for an unrushed reading experience so you can fully engage with the text, make time to enjoy all the best parts of summer, and arrive ready for a novel test and essay.
