MIDDLE SCHOOL SUMMER READING

Go Wild with books this summer! KCSD and the Kershaw County Library are teaming up to make summer reading extra fun! **Read 5 books** and write each title on your reading log. Return your completed log to your school library in August to earn a reading reward.

Bring your log to the Kershaw County Library to join special events and earn a free book to keep!

A reading log template featuring two large robot arms on the left and right sides, holding the log. The log is divided into seven numbered sections (1-7) for writing book titles. The background is decorated with various plants, including a large tree on the left, a smaller tree on the right, and a mushroom at the bottom left. The robot arms are stylized with joints and gears, and the plants are simple line drawings.

Go Wild!

Summer Reading 2026

We are celebrating *The Wild Robot* by Peter Brown. Just like Roz, we will explore nature, friendship, and community. You can check out the book at the library in print, ebook, or audiobook. You can read *The Wild Robot* or any book you like! To participate, track your reading with the Beanstack app or a paper log from your teacher or the library.

- PreK–5th Grade: **Win with Ten** — read 10 books
- 6th–8th Grade: **Strive for Five** — read 5 books

When you finish the challenge, you win a free book to keep.

Pick your prize at any library or the bookmobile.
