

## 8th Grade Promotion Parade

As has become tradition, the 8th grade will participate in our 8th Grade Promotion Parade. The parade is scheduled for **June 5th at 10:00 AM**. Students and their families will start on 3rd Avenue, north of the K-8 campus, proceed down Spruce St., then travel along Haley, past the Junior High, and onto the High School. Once at the High School students will be greeted by their new teachers. Students and parents are responsible for their own transportation in the parade.

Mr. Dorscher will meet families on 3rd Avenue starting at about 9:40 AM to help assist in vehicles getting lined up, ready for the parade to start promptly at 10:00 AM. K-8 students and staff will be outside along the parade route to say good-bye to all 8th grade students. Each student will be asked to stop in front of the JH building to receive some paperwork and parting items before traveling down Haley to the HS.

We encourage creativity, decorating vehicles, etc. For safety and flow of traffic, we do not allow horses, students to ride motorcycles, etc. Please make sure your parade transportation is street legal. As always, 8th grade students are welcome to join together and travel the parade route with friends. Keep in mind, the bigger the group, the smaller our parade will be for people to enjoy.
