Before and after school programs in Mapleton

Mapleton Public Schools understands that high-quality before and after school care is incredibly important to families. For many parents and caregivers, access to safe, enriching, and reliable care outside of the school day is not just a convenience, it can be a deciding factor when choosing a school. Mapleton is pleased to be partnering with two organizations to bring before and after school care to Mapleton families.

Right At School

Mapleton is excited to welcome Right At School as a new provider of before and after school programming. Right At School provides safe, engaging, and meaningful before and after school programs, camps, and extracurricular opportunities. Right At School will offer on-site programming at two locations, with Mapleton's transportation team providing bus service from other schools to each program site.

Location 1:

Achieve Academy (9100 Poze Blvd., Thornton, 80229)

This location will serve families from **Achieve Academy, Explore PK-8, and York International School.**

Location 2:

Meadow Community School (9150 Monroe St., Thornton, 80229)

This location will serve families from **Clayton Partnership School, Meadow Community School, and Monterey Community School.**

[Visit Right At School to view pricing, watch the recording of the virtual parent forum, learn more about the program, and register for before and/or after school care for the upcoming school year.](#)

Stay Connected Before Back to School

To prepare for the upcoming school year, make sure you have reviewed your contact information by completing the Annual Update in the Infinite Campus Parent Portal. The Annual Update allows families to confirm school placement, update contact information, add new students to the household, and request a new Mapleton school for the upcoming year.

To complete the update:

1. Log into Infinite Campus,
2. Select "More,"
3. Select "Annual Update."

If you need help accessing your Parent Portal account, please contact your child's school office.

While you are preparing for next school year, be sure to keep an eye on www.mapleton.us and your school's website throughout the summer for important back-to-school information, including school calendars, supply lists, and Back to School Night dates.

Families are also encouraged to download the **Mapleton app** to stay connected with school news, calendars, breakfast and lunch menus, alerts, and notifications all in one place. Once you download the app, tap "Posts" and use the filter button in the top right corner to select the schools you would like to follow.

We're a **Colorado Asthma-Friendly School!**

Colorado Asthma-Friendly Schools follow proven steps to help students with asthma stay healthy. When children get good asthma care at school, they miss fewer days and can learn better. Your school's hard work helps keep all students healthier and supports their success in the classroom.

Mapleton celebrates asthma-friendly schools

We are excited to share that all Mapleton schools have been recognized as a Colorado Asthma-Friendly School at the Gold level by the University of Colorado!

What does this mean for Mapleton students?

This recognition demonstrates Mapleton's commitment to creating a safe, supportive environment for students with asthma. Mapleton's schools have implemented comprehensive asthma management practices that:

- Ensure students have quick access to emergency medications
- Provide staff training on asthma recognition and response
- Create healthier indoor air quality for all students
- Support students in participating fully in physical education and activities
- Coordinate care between school, families, and healthcare providers

Why it matters:

Asthma affects approximately 70,000 school-age children in Colorado and is one of the leading causes of chronic disease-related school absences. By implementing evidence-based asthma-friendly practices, we're working to:

- Improve student attendance
- Enhance academic achievement
- Reduce emergency room visits
- Support long-term health outcomes for students with asthma

Thank you to our district nurses, staff, and community!
