NOTICE AND CERTIFICATION REGARDING RUSSIA-RELATED SANCTIONS
(Executive Order N-6-22)

Project Owner: Oxnard Union High School District

Project: Exterior Painting - Multiple Locations

Bid No.: 726

Contractor Name: NEP Painting Contractors INC

NOTICE TO BIDDER

On March 4, 2022, California Governor Gavin Newsom issued Executive Order No. N-6-22 ("Executive Order") relating to sanctions imposed by the U.S. government and the State of California in response to actions in Ukraine by the Russian Federation ("Russia").

Among other things, the Executive Order "calls upon businesses, non-governmental organizations, and public entities in the State [of California] to review their investments and contracts to ensure their compliance with economic sanctions imposed by the U.S. government in response to Russia's actions in Ukraine, as well as any sanctions imposed under state law (collectively economic sanctions), and to take actions to support the Ukrainian government and people, including by refraining from new investments in, and financial transactions with, Russian institutions or companies that are headquartered or have their principal place of business in Russia (Russian entities), not transferring technology to Russia or Russian entities, and directly providing support to the government and people of Ukraine."

The Executive Order requires that all California State agencies and departments subject to the Governor's authority: (i) review contracts for commodities, services, and technology to determine compliance with such federal and State of California economic sanctions ("Economic Sanctions"); (ii) terminate contracts with entities or individuals that are a target of the Economic Sanctions; and (iii) not enter into any additional contracts with such entities or individuals.

The Executive Order further requires that each California State agency and department: (i) notify all grantees of the agency or department (each a "Grantee") and contractors with contracts of \$5 million or more (each, a "State Contractor") of their obligations to comply with the Economic Sanctions; (ii) direct all Grantees and State Contractors to report to the agency or department regarding their compliance with the Economic Sanctions; and (iii) direct all Grantees and State Contractors to report on steps they have taken in response to Russia's activities in Ukraine.

CERTIFICATION BY BIDDER

- (i) I am a duly authorized representative of the Contractor identified above (herein, the "Bidder") and, in that capacity, I have executed this certification on behalf of the Bidder.

- (ii) The Bidder acknowledges that, in connection with various programs, services, and activities undertaken by the District from time to time, the District receives grant funding provided through one or more California State agencies or departments.
- (iii) The Bidder represents and warrants that neither the Bidder nor any of its directors, officers, or affiliates:
 - (i) invests in, or has financial transactions with Russian institutions or companies that are headquartered or have their principal place of business in Russia ("Russian Entities"); or
 - (ii) transfers technology to Russia or any Russian Entities.
- (iv) The Bidder represents and agrees that, if the District awards the contract for the Project to the Bidder ("Contract"), and in connection with the Bidder's activities pursuant to the Contract, neither the Bidder nor any of its directors, officers, or affiliates shall engage in any of the activities described in the foregoing Clause (iii) of this form, or otherwise violate any of the Economic Sanctions.
- (v) The Bidder acknowledges and agrees that, while the Contract is in effect, if the Bidder or any of its directors, officers, or affiliates engages in any of the activities described in the foregoing Clause (iii) of this form, or otherwise violates any of the Economic Sanctions, then, following notice and a thirty-day opportunity for the Bidder to submit a written response, and in the District's sole discretion or as may be required by the State of California, the District may terminate the Contract and, in addition, the District and/or State of California may take any and all other actions as permitted by applicable law.
