### NOTICE TO BIDDER

On March 4, 2022, California Governor Gavin Newsom issued Executive Order No. N-6-22 ("Executive Order") relating to sanctions imposed by the U.S. government and the State of California in response to actions in Ukraine by the Russian Federation ("Russia").

Among other things, the Executive Order "calls upon businesses, non-governmental organizations, and public entities in the State [of California] to review their investments and contracts to ensure their compliance with economic sanctions imposed by the U.S. government in response to Russia's actions in Ukraine, as well as any sanctions imposed under state law (collectively economic sanctions), and to take actions to support the Ukrainian government and people, including by refraining from new investments in, and financial transactions with, Russian institutions or companies that are headquartered or have their principal place of business in Russia (Russian entities), not transferring technology to Russia or Russian entities, and directly providing support to the government and people of Ukraine."

The Executive Order requires that all California State agencies and departments subject to the Governor's authority: (i) review contracts for commodities, services, and technology to determine compliance with such federal and State of California economic sanctions ("Economic Sanctions"); (ii) terminate contracts with entities or individuals that are a target of the Economic Sanctions; and (iii) not enter into any additional contracts with such entities or individuals.

The Executive Order further requires that each California State agency and department: (i) notify all grantees of the agency or department (each a "Grantee") and contractors with contracts of \$5 million or more (each, a "State Contractor") of their obligations to comply with the Economic Sanctions; (ii) direct all Grantees and State Contractors to report to the agency or department regarding their compliance with the Economic Sanctions; and (iii) direct all Grantees and State Contractors to report on steps they have taken in response to Russia's activities in Ukraine.

- (iii) The Bidder represents and warrants that neither the Bidder nor any of its directors, officers, or affiliates: (i) invests in, or has financial transactions with Russian institutions or companies that are headquartered or have their principal place of business in Russia ("Russian Entities"); or (ii) transfers technology to Russia or any Russian Entities.
- (iv) The Bidder represents and agrees that, if the District awards the contract for the Project to the Bidder ("Contract"), and in connection with the Bidder's activities pursuant to the Contract, neither the Bidder nor any of its directors, officers, or affiliates shall engage in any of the activities described in the foregoing Clause (iii) of this form, or otherwise violate any of the Economic Sanctions.
- (v) The Bidder acknowledges and agrees that, while the Contract is in effect, if the Bidder or any of its directors, officers, or affiliates engages in any of the activities described in the foregoing Clause (iii) of this form, or otherwise violates any of the Economic Sanctions, then, following notice and a thirty-day opportunity for the Bidder to submit a written response, and in the District's sole discretion or as may be required by the State of California, the District may terminate the Contract and, in addition, the District and/or State of California may take any and all other actions as permitted by applicable law.

**Project:** Exterior Painting - Multiple Locations    **Site:** ADOLFO CAMARILLO HIGH SCHOOL

**Bid No.:** 726

**Contractor Name** (insert full legal name):

Pacific Contractors Group Inc.

**Surety** (insert full legal name):

Markel Insurance Company

**Bond Number:**

BBSU6053

**Penal Sum:** Ten percent (10%) of Total Bid Amount

The Contractor identified above (herein, the "Principal") has provided this bid bond in connection with the bid submitted by the Principal to the Project Owner identified above (herein, the "School District") for the construction of the Project identified above, which is a public project and a public work in accordance with California law.

By issuing this bid bond, the Surety (identified above) shall be deemed and construed to thereby certify to the School District that the Surety is "an admitted surety insurer" as defined in California Code of Civil Procedure Section 995.120.

We, the Principal and the Surety, as evidenced by the signatures of our respective duly authorized representatives set forth below, are hereby held and firmly bound unto the School District in the amount of the Penal Sum specified above, for the payment of which amount, well and truly to be made, we hereby jointly and severally bind ourselves, our heirs, executors, administrators, successors, and assigns as specified below.

In no event, however, shall the liability pursuant to this bid bond exceed the Penal Sum specified above.

The Surety, for value received, hereby stipulates and agrees that this bid bond and the Surety's obligations hereunder shall be and remain in effect until such time as one or more of the conditions described herein for rendering this bid bond null and void have been satisfied. The Surety, for value received, further stipulates and agrees that this bid bond shall in no way be impaired or otherwise affected by any extension of the time within which the School District may accept the Principal's bid for the Project or of the time within which the Principal must enter into the Contract and submit the required documentation, and Surety hereby waives any requirement for notice of any such extension.

The Surety shall not be deemed to have fully and appropriately executed this Bid Bond unless Surety has provided all of the following information:
