3. Art & Crafts Club. Tiny houses project
4. Student Led Conference
5. QSI Phuket Summer Fun Camp 2026
6. PSG volunteers needed
7. The Uniform

8. Book a meeting with Mr. Chris, School Director
9. School Calendar

A note from Mr. Chris -- Let the show begin

Dear Parents, Students, and Staff,

Hello,

We enjoyed the Student Led Conferences. It is such a reat opportunity for you to see your students progress from their own refl tion. This is the my favorite activity we do all year. I hope you had a g at experience.

The creative arts team will push to full speed to organize th big show on June 5th. It will be that the greatest show ever. As uu)al, we will have a big party for the families on the night of the show. Please plan to be at school at **1700 for dinner, drinks, and fellowship**. The show will start at sundown. **Please save the date, Friday, June 5th at 1700.**

We are enrolling students for the summer p gram. Please feare the Summer Camp information prwithur friends and neighbors. Ms. Veronika, Ms. Lisa, Ms. Lilly, and s. Jenny are planning a great two weeks for the students. The camp is for all students, not just QSI students.

Re-enrollment for 26-27 is in progress. Please look for my email. It will only ta a few minutes of your time. You can complete the whole process on your phone, and we will have a seat locked in for your child in 26-27.

Pleas go to: **Re-enrollment process**.

Please feel f ee to use this link to book a meet g with me:

Book a Meeting With Mr. Chris.

See You Soon,

Chris Fisher

Alice in Wonderland. The Production is underway.

This year's school production of *Alice in Wonderland* will feature acting, singing, dancing, and fun performances from around 60 to 70 students. Ms. Siri and Ms. Anné shared how months of hard work are coming together for an exciting show.

Why did you choose Alice in Wonderland as the topic of this year's show?

"I knew it would give so many opportunities for different characters, and it's a good play that everybody can be part of rather than just a few characters." — Ms. Siri

How many students are involved in the production?

Around 60 to 70 students are involved in the production, including most of the school except for a few secondary students. — Ms. Siri

When will the show take place?

The show will take place on June 5th at around 6:45 PM. — Ms. Anné

Is the production purely a play, or does it include other performances as well?

"It has acting, dancing, singing, randomness, and fun." — Ms. Anné

"It has a good balance of everything. It's not just a lot of dancing or a lot of music. Acting is the main focus, while the singing and dancing support it." — Ms. Siri

"It's focused a lot more on the story." — Ms. Anné

How much time does it usually take to put a show together?

“About three to four months, including three months of intense practice.” — Both

What is the most exciting part of putting the production together?

“Seeing it all come together at the end.” — Both

What is the most challenging part?

“Getting everyone to come to practice and remembering that we still have other units to finish.” — Both

Although preparing the production is challenging, the teachers say the best part is seeing everything come together in the end. The show will take place on June 5th at 6:45 PM and do not forget to bring your costume till May 15.

Art & Crafts Club. Tiny houses project

Students aged 6-10 in the Art and Crafts Club designed and created miniature houses inspired by places they love or imagine. Using simple geometric shapes, they built creative scenes that reflect their ideas and storytelling. We interviewed Ms. Lilly to learn more about the project

Does your club have a particular name?

Arts and Crafts

How many students do you have?

7 on Wednesday and 7 on Friday.

How often do you meet?

Once or twice a week.

What are you focused on in your club?

Being creative and having fun.

What do you do during your class?

This time we did the tiny houses project.

Is this miniature house project the only project you worked on in your club?

This last club period yes, it took around 6 weeks.

Why did you choose miniature houses and geometric shapes as the theme?

We chose because it was a fun and engaging way for students to explore 3D shapes, creativity and problem-solving. The activity encouraged critical thinking as they planned and built their designs while also developing painting skills.

What materials and tools did the children use to build their miniature houses?

Recycled materials, tape, scissors, glue and paint sticks.

Were the students working individually or collaboratively?

Both. They chose.

What skills do you think the students developed through this project?

Critical thinking, motor skills, creativity and collaboration.

Is the club over now?

No.

Do you have more ideas for the club?

Painting using unusual materials encouraging experimentation and exploration.

The students completed this project within the club. They will go on to do other interesting and creative projects in the future.

Student Led Conference

On May 7–8, QSI students successfully completed the Student Led Conferences. The event was a great success, giving learners the opportunity to confidently present their learning journeys, portfolios, and progress to their parents.

Students showed responsibility, strong communication skills, and pride in their achievements, while parents and teachers highly appreciated the experience. The conferences once again highlighted the school's focus on student growth, collaboration, and active learning.

QSI Phuket Summer Fun Camp 2026

PROGRAM OVERVIEW

PSG volunteers needed

Mr. Ian has taken on the role of PSG Coordinator. He would like to ask as many of you as possible to join the group. We are trying to create a group of individuals who enjoy supporting school events and creating events for the families to participate in and enjoy.

Maybe a table tennis tournament while you enjoy a wine and cheese night. -- Anyone want to organize?

Just scan the QR code, and you are on the team.

Mr. Ian can be reached at: ian-vanwyk@phuket.qsi.org

PARENT SUPPORT GROUP

QSI INTERNATIONAL SCHOOL OF PHUKET
QSIP
FOUNDED IN 2000
SUCCESS FOR ALL

The goal of the Parents Support Group (PSG) at QSI is to create the best possible learning environment for children. To achieve their goals, we need your help!
All parents are encouraged to become actively involved with the school through the PSG.

QSI PSG
WhatsApp group

JOIN OUR QSI COMMUNITY

- Enhance communication between parents and the school.
- Assist teachers and staff during school events, such as sports days, concerts, and fundraisers.
- Help keep parents informed about school policies, events, and student programs.
- Welcome new families and help them adjust to the school environment.

We Have Upgraded the School Uniform colors and materials

- Why did we change the uniform?
  - We wanted to upgrade the material to one that is more suitable for a hot weather climate.
  - We wanted to match the color scheme of the campus
  - It was time for a change to a more vibrant uniform.
  - We wanted to expand the options.
- How to purchase the new uniform?
  - visit the office and pick out a blue and orange uniform
  - We also have a new Physical Education uniform
  - We have the Hooded Sweatshirt and Sweater available.
  - A discount will be applied to each new item purchased when you bring an old shirt to trade in.
    - we will donate all the old uniforms to a deserving children's home.
- Will the uniform be mandatory?
  - yes, the expectation will be for the student to start school each day with a PE, Blue, or Orange uniform
    - having the responsibility to dress appropriately for school starts the student on a successful path.
    - On January 5th, only a school hooded sweatshirt or Sweater will be permitted on campus from Monday through Thursday.
- Friday is Free Dress Day for 10 THB.
  - Each Friday, the student will have the option to dress in their favorite outfit for a 10 THB donation to the Student Council.
  - Students can wear their standard uniform on Friday.

- The donation will fund a QSI Movie night and a QSI Activity Night for students.
