A note from Mr. Chris -- Let the show begin

Dear Parents, Students, and Staff,

Hello,

We had a great week, and many new families visited. I hope we will have a good, solid enrollment for the start of 2026-2027. Soon, you will receive a note confirming whether you will return for the 26-27 school year. Please complete the re-enrollment link when you are ready. We will use a program called Open Apply. We have tried to make the process as seamless as possible.

After school activities have started for Quintile #4. Please see all the great stuff the kids enjoyed.

PSG has an event on Saturday. Please see the details below.

Big news, we are installing an advertising sign near Coffee in Farm or across from the mining museum. This is our first major advertising in many years. We hope the sign will be up next Wednesday. Please drive by, take a photo, and post to your social media accounts. Please also like and share when you see another person's post. This push will help us meet our enrollment goal of 125 students by August 20. With your help, we can achieve the goal.

Songkran is coming just like the rains, on April 10th. April 10th starts at 12pm. We will have music, a show, dancers, water splashing, a bounce house, and, new this year, a barbecue. The entire family is invited to participate.

April 30th is a school day. The students will be dismissed at 11:20, and buses will depart at 11:30. The afternoon will be a teacher training day focused on the 4 MSA objectives: Literacy, Mastery Learning, 21st Century Skills, and Communication.

Please feel free to use this link to book a meeting with me:

PSG EVENT - PSG Market

Dear Parents and Friends,

We're excited to invite you to the PSG Market on Saturday morning, March 28, 2026. The market will run from 9:00 to 11:00AM on the Breezeway and upper football field area; stall setup begins at 8:30 AM. This will be a fun community morning and a great chance to meet and hang out with other QSI families, introduce a friend or two to our school, and support a wonderful cause.

Bring any unwanted goods or second-hand clothes you'd like to sell, swap or donate. We'd also love some families to bring homemade snacks or light foods to sell so everyone can enjoy the morning at school. Sellers are welcome donate a percentage of their profits to the school (optional); all money collected that day will go toward building more swings in our playground.

If you plan to have a stall, bring food to sell, or are bringing guests, please let us know and tell us how many stall spaces or guests you'll have. If you need help arranging a table or power, or have any questions, contact Mr. Ian at **ian-vanwyk@phuket.qsi.org** .

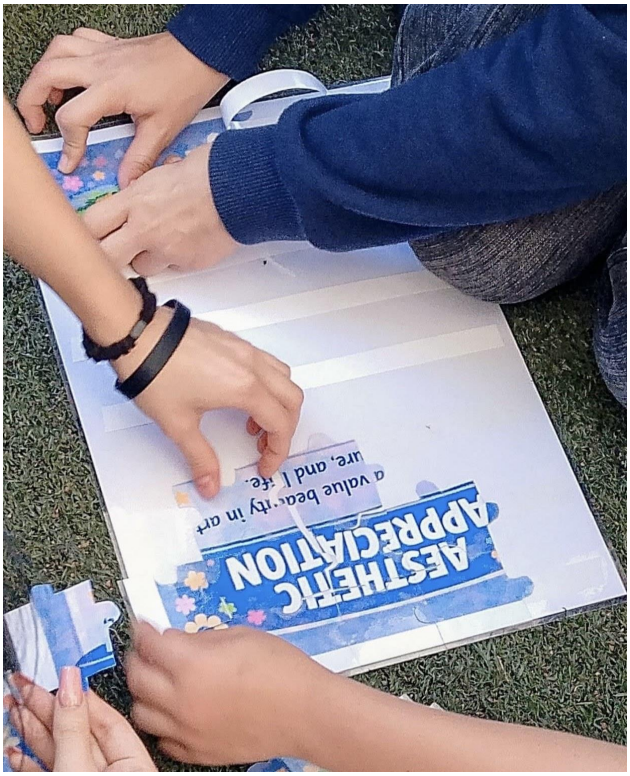

We're looking forward to a fun, community-filled morning and hope to see you there!

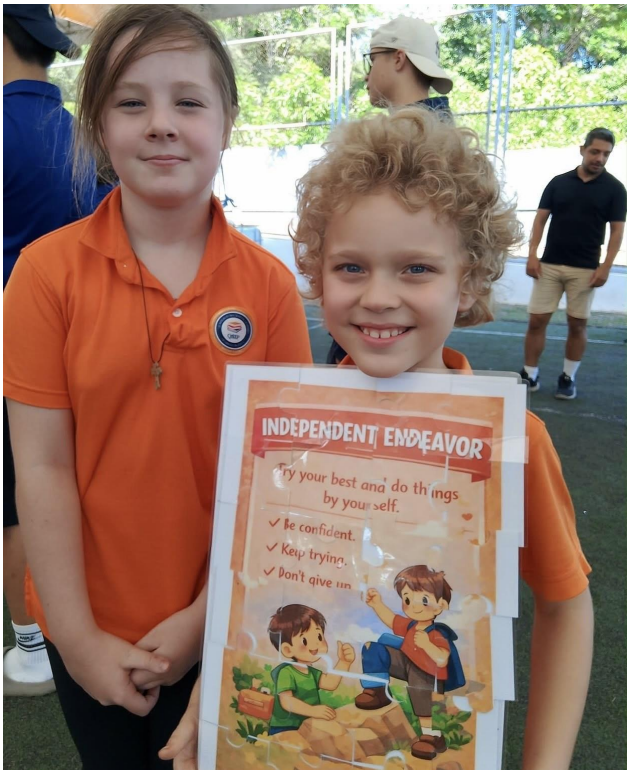

Kind regards,

QSI Parent Support Group (PSG)

Do your duties and take ownership of your actions.
Finish your work
Take care of your things.
Admit mi

During the last 45 minutes of the school day on Wednesday, students participated in an activity focused on the 7 Success Orientations. Students from different classes worked together in groups to solve a puzzle, demonstrating strong teamwork and collaboration skills. After finishing, they were asked to act out situations shown on their puzzles that demonstrated the 7 Success Orientations.

Through this experience, students learned that growth happens best when individuals support one another. The activity reinforced the idea that success is not just something to achieve, but something that is practiced together every day.

Chess Club

Every Thursday from 3:15 to 4:15, Mr. Fisher has a chess class with elementary students. We interviewed Mr. Fisher.

Interviewer: Why did you choose chess as your after-school activity?

Mr. Fisher: Chess is like life. I have to look at all the options and make sure none of the options are going to be bad. It helps your irrational decision-making.

Interviewer: What do you do in your activity? And tell me what your class looks like.

Mr. Fisher: We play chess. We talk about strategies and kindness. We talk about how to be a good winner or a good loser. We teach sportsmanship.

Interviewer: Who participates in your class?

Mr. Fisher: We have students from 7 years old up to 11 years old in the class.

Interviewer: How many students are in your class?

Mr. Fisher: We only have about 4 students registered.

Interviewer: Why is this activity good for students?

Mr. Fisher: It gives you the opportunity to show how intelligent you are and makes sure you think about all the steps you have to take to get everything done.

Interviewer: Do they enjoy it?

Mr. Fisher: I think so, that's why they keep coming back.

The chess class with Mr. Fisher is both engaging and educational. It helps students develop critical thinking, problem-solving, patience, and strategic skills, while also encouraging concentration and healthy competition. The class provides a valuable opportunity for students to challenge themselves and grow intellectually.

LEGO Class

Every Thursday from 3:15 to 4:15, Mr. Ian has a Lego Class with elementary students. We interviewed Mr. Ian.

Interviewer: Why did you choose this class?

Mr. Ian: I like Lego.

Interviewer: What do you do in your activity? What does your class look like?

Mr. Ian: Children solve problems using Lego. They identify problems and use Lego to solve them.

Interviewer: Who participates in your activity?

Mr. Ian: Students who are 8, 9, and 10 years old.

Interviewer: How many students are in your class?

Mr. Ian: 4–6 students.

Interviewer: Why is this activity good for students?

Mr. Ian: It helps them be creative and solve problems.

Interviewer: Do they enjoy it?

Mr. Ian: Yes, they love it.

The Lego class with Mr. Ian encourages students to think creatively, work through challenges, and build persistence. By doing hands-on activities, students can share ideas and build their thinking skills in a fun and friendly environment.

Songkran is coming

QSIP will celebrate Songkran on April 10, ahead of the official festival dates from April 13 to April 15. Songkran is the traditional Thai New Year festival, known for water celebrations that symbolize cleansing and renewal. The school event marks the start of the holiday period, which will be followed by a one-week break from April 13 to April 17, marking a pause in the school schedule and allowing time away from regular studies.

The Passing of her Majesty Queen Sirikit, The Queen Mother of Thailand

The Office of the Prime Minister has announced that the Bureau of the Royal Household has formally declared the passing of Her Majesty Queen Sirikit, The Queen Mother, on Friday, 24 October 2025, at 9:21 p.m., at Chulalongkorn Hospital, Thai Red Cross Society, at the age of 93. The passing of Her Majesty the Queen has cast a deep sorrow across the nation. She was more than a royal figure — she was a symbol of grace, kindness, and strength whose warmth touched the hearts of the Thai people. Her gentle spirit and lifelong dedication to the nation will be remembered with love and gratitude.

The Office of the Private Education Promotion Commission hereby requests all private schools to take the following actions, effective **25 October 2025**, as follows:

- 1. **Lower the national flag to half-mast** at all private schools for a period of **30 days**.
- 2. **Refrain from organizing any festive or celebratory events** for a period of **one year**.
- 3. All private schools are to publish Her Majesty Queen Sirikit The Queen Mother's royal duties on the main page of their school websites and organise exhibitions in honour of Her Majesty Queen Sirikit The Queen Mother.

- 4. **Request for cooperation** from all administrators, teachers, and staff members of private schools to observe mourning for a period of **one year**.

This is for your acknowledgement and implementation accordingly.

With highest respect,

(Signed)

(Mr. Monthon Phaksuwan)
