A note from Mr. Chris -- Let the show begin

Dear Parents, Students, and Staff,

Hello,

International Day was a fantastic adventure, dancing, singing, Samari fight, and food from all over the world. What a great opportunity for all of us to share our culture. Mr. Ian had the idea to move down to the lower football field. I think he made a great decision. We had lots of room for the show, eating, and fellowship. This was the largest International Day on record for our little school in the jungle. Next year, we need to add a fire walking pit. I will be the first one in line. Who is with me?

We are on Mid-Term break from February 23rd through the 27th. We return to school on March 2nd.

March 6th is a half-day of school. The students will be dismissed at 11:20, and buses will depart at 11:30. The afternoon will be a teacher training day focused on the 4 MSA objectives: Literacy, Mastery Learning, 21st Century Skills, and Communication.

Please feel free to use this link to book a meeting with me:

See You Soon,

Chris Fisher

Secondary camp

The Secondary Camp is held every year in **March.**

During the camp, students are going to leave the school and be divided into teams and take part in a variety of exciting and fun challenges designed to build teamwork, creativity, and leadership skills. Each activity allows teams to earn points, encouraging friendly competition and collaboration. The camp is going to last for 3 days!

At the end of the camp, the team that collects the highest total score is crowned the winner and rewarded with a delicious pizza celebration!

The Hottest Months in Phuket Are Coming

The hottest months in Phuket are March, April, and May. During this time, the temperature can reach around 35°C or even higher. The afternoons are usually the hottest part of the day.

Many people go to the beach to cool down. Beaches like Patong Beach and Kata Beach become very busy with tourists and local people. When the weather is very hot, remember to drink a lot of water and wear light clothes. You should also use sunscreen and try to stay in the shade during the middle of the day.

International Day took place on February 20. This special event was held to celebrate and learn more about different cultures by trying cuisines from many countries around the world. For many people, it was one of the best days at school because the whole community was able to enjoy a wide variety of delicious food, talk with one another, and simply spend a great day together.

One of the highlights of the celebration was the show. The program included traditional dancers, a special Pre-K performance, an elementary dance, a student performance, a family performance, a teacher's African dance, and a live band. These performances made the event even more exciting and meaningful for everyone who attends.

Students, families, and friends came to celebrate and made the event even more special. It was a wonderful opportunity for everyone to connect, share traditions, and experience cultures from around the world.

Mid-Term Break – 23rd–27th February

The Mid-Term Break will run from 23rd to 27th February, allowing students time to rest and prepare for the remainder of the term.

The Passing of her Majesty Queen Sirikit, The Queen Mother of Thailand

The Office of the Prime Minister has announced that the Bureau of the Royal Household has formally declared the passing of Her Majesty Queen Sirikit, The Queen Mother, on Friday, 24 October 2025, at 9:21 p.m., at Chulalongkorn Hospital, Thai Red Cross Society, at the age of 93. The passing of Her Majesty the Queen has cast a deep sorrow across the nation. She was more than a royal figure — she was a symbol of grace, kindness, and strength whose warmth touched the hearts of the Thai people. Her gentle spirit and lifelong dedication to the nation will be remembered with love and gratitude.

The Office of the Private Education Promotion Commission hereby requests all private schools to take the following actions, effective **25 October 2025**, as follows:

- 1. **Lower the national flag to half-mast** at all private schools for a period of **30 days**.
- 2. **Refrain from organizing any festive or celebratory events** for a period of **one year**.
- 3. All private schools are to publish Her Majesty Queen Sirikit The Queen Mother's royal duties on the main page of their school websites and organise exhibitions in honour of Her Majesty Queen Sirikit The Queen Mother.

- 4. **Request for cooperation** from all administrators, teachers, and staff members of private schools to observe mourning for a period of **one year**.

This is for your acknowledgement and implementation accordingly.

With highest respect,

(Signed)

(Mr. Monthon Phaksuwan)

Secretary-General

Office of the Private Education Commission

Maybe a table tennis tournament while you enjoy a wine and cheese night. -- Anyone want to organize?

Just scan the QR code, and you are on the team.

Mr. Ian can be reached at: ian-vanwyk@phuket.qsi.org
