The Gold Rush

Long ago, bold men and women drove west to find gold. They left their old lives behind in hopes of being rich. These were wild times. Mines exploded with gold that could be sold for lots of cash.

Some folks got rich, but most did not find any gold. The men and women who did not find gold went back to their old homes. There they told the tale of their tragic time in the Wild West gold rush.

Busy Bees

Bees are always busy! They collect nectar and pollen on flowers. After they have as much as they can carry, they fly back to the hive.

They feed some of the nectar and pollen to the baby bees and to the queen. The bees turn most of it into honey! The only time they sleep is when it gets dark. They are very busy bees!

1. Where do bees collect nectar and pollen?

- a. in the hive
- b. on flowers
- c. in the grass
- d. from people

2. What do the bees make?

- a. wax
- b. ice cream
- c. syrup
- d. honey

3. Do bees sleep?

- a. yes
- b. no

4. Why are bees busy?

Flowers

When spring comes, flowers start to bloom. Flowers have 5 main parts. They have roots, a stem, leaves, seeds, and petals.

A flower needs soil, water, air, and sunlight to grow. When the seeds from the flower are planted, more flowers grow!

Planting flowers helps the Earth and makes people happy!

1. When do flowers start to bloom?

- a. winter
- b. spring
- c. summer
- d. fall

2. How do more flowers grow?

- a. rain
- b. magic
- c. bees
- d. seeds

3. What four things do flowers need?

4. Why do flowers make people happy?

Trip to the Market

Mom and Marcus went to the market. They wanted to pick up some pork, corn, rice, and a jar of mango jelly. They liked this market more than the large store with all the people. The market was on a farm.

Mom parked the car and Marcus got the cart. This would be a short trip since they only wanted four things. Marcus got the rice and jar of mango jelly. Mom picked up the pork and corn.

Once they had all their items, they gave the saleswoman their cash. Then, they departed the market. They got back in their car and drove home for a yummy lunch.

Rainbows

Rainbows are so beautiful! You can sometimes see a rainbow after a rainstorm. You can also find them in waterfalls and fountains.

A rainbow is made when light shines through water. Light from the sun looks white. It is actually different colors.

When the light passes through the rain, it bends. When the light bends, it allows us to see the other colors. There are seven colors of a rainbow: red, orange, yellow, green, blue, indigo, and violet.

1. When can you see a rainbow?

- a. before a rainstorm
- b. during a tornado
- c. after a rainstorm
- d. on a sunny day

2. Which color is NOT in the rainbow?

The Worst Pet Ever

Morgan has wanted a pet for a long time. One morning, there was a small box on the table with her name on it. Inside the box, there was a bunch of dirt. Under the dirt was her new pet, a worm!

Morgan was sad. She thinks a worm is the worst pet in the world. She wanted a dog or cat or even a hamster, not a squirmy worm! What were her mom and dad thinking? This pet will not work. She started to cry.

Just then, mom and dad came in and said, "We got you! It was a joke! We are going to the pet shop!" Morgan was so happy. She wiped her face and gave mom and dad a hug. She was going to get the best pet ever!
