School Uniform

All pupils in the Prep School and Years 7 - 11 of the Senior School must wear branded school uniform. All official School uniform is available to purchase from School Blazer Limited. School Blazer operates an online shop www.schoolblazer.com

School Blazer offers a smart measurement system to provide guidance on sizes. Having created an account on their website, parents should enter their child's measurements on the form provided and School Blazer then recommends the most appropriate size for the item required.

Pupils may send their uniform from School Blazer to the School for collection upon arrival. All parcels should be clearly marked with the pupil's name.

Pre-Owned Uniform

In addition, the Friends of Stonar run a **Pre-Owned Uniform Shop** from parent donations. Further information on the stock availability is available by emailing friendsofstonar@gmail.com. Stock availability is dependent on parent donations, therefore stock levels do vary and parents cannot rely on being able to fully kit out their child through this service.

There is also a [Facebook](#) group where parents sell second-hand uniform: **Parents of Stonar - Second Hand Uniform**
