

SUMMER MATH WORK

RIISING 2nd GRADE

Math is a subject that continually builds on itself. Having a solid foundation in Math is important for continued growth and learning in the subject.

- Keeping this in mind, we are asking students to practice mathematical foundations over the summer to return to school in the Fall ready to take on the content with confidence. **During the first week of school your Monarch will complete a math assessment based on the criteria below.** Practice and proficiency over the summer will be necessary for success in both the assessment, as well as in math class throughout the year.

*Please note that the “Suggested Activities for Practice” are simply meant to help your daughter prepare for the Math assessment at the beginning of the school year. **These activities do not need to be turned in.***

Content	Suggested Activities for Practice	Assessment Format
Memorize addition and subtraction math facts through 10	• Make Flashcards • Amazon Flashcards	Students will be assessed on Addition and Subtraction Math Facts test through 10
Practice adding and subtracting within 10	Practice Sheets Attached on Next Pages	
Skip Counting by 2's, 5's, and 10's to 100	• Color patterns on a 100's chart (Attached, Next Page) • Make groups of 25, 5's, 10's using blueberries, legos, raspberries, goldfish, etc., to help skip count - Song links	Skip counting fill in the blank
