Dear Haldane Community:

In anticipation of next week's warmer weather, we are happy to share that almost all Haldane classrooms now have air conditioning. We have just a few interior spaces without windows, so fans will be used to maintain air flow in those areas and in hallways. We will relocate students or staff, if necessary.

Please send your child to school with a water bottle each day, as students will be encouraged to take frequent water breaks.

Sincerely,  
Gail Duffy, EdD  
Superintendent of Schools
