

# WELCOME

## KELLY O'CONNOR

### Lake Windward Elementary School ASSISTANT PRINCIPAL

Lake Windward Families,

It is an honor to introduce myself and to serve this extraordinary school community in a new capacity. It has been a true privilege to be part of Lake Windward as both a classroom teacher and Curriculum Support Teacher, and I am overjoyed to continue my journey here as Assistant Principal beginning June 1st.

I have proudly served Fulton County Schools for the past twelve years, all of which have been spent at Lake Windward Elementary School. Throughout my career, I have remained deeply committed to supporting student achievement, striving for instructional excellence, and building meaningful relationships within our school community.

I am passionate about creating a supportive environment where both students and teachers can learn, grow, and thrive. I believe strongly in the value of collaboration, meaningful and engaging instruction, and ensuring that every student has the opportunity to reach their full potential. My work is grounded in a commitment to continuous growth, the thoughtful use of student data to guide instruction, and fostering a school culture that is welcoming, inclusive, and centered on students.

I earned both my Bachelor's and Master's degrees in Elementary Education from Furman University and completed my leadership certification through Kennesaw State University.

Outside of school, I enjoy spending time with my family, staying active, and reading. I am also an avid sports fan and especially enjoy watching football and basketball.

I am incredibly grateful for this opportunity and look forward to continuing to serve and support the Lake Windward community.

Go Gators!  
Kelly O'Connor  
Assistant Principal
