February 8, 2027 will be a Professional Development Day for Teachers UNLESS MPS has to make up a canceled instructional day.

Our scheduled last day of school is Wednesday, May 19, 2027. A third snow day, if needed, will push the last day to Thursday, May 20, 2027 and then the Teacher Record Day would change to May 21, 2027.

District assigned days will consist of: District and/or site Professional development, collaboration, and work time. MPS is meeting and working with staff to design a schedule that meets the needs for all. These dates are "no school" days for students. These dates will be clarified within the next couple of months.

Snow Days will become regular school days in the event of inclement weather
