The Illinois School Code, 5ILCS 120/2.06, states the verbatim record may be destroyed without notification to or the approval of a records commission of the State Archivist under the Local Records Act [50 ILCS 205/1 et seq.] no less than 18 months after the completion of the meeting recorded but only after: (1) the public body approves the destruction of a particular recording; and (2) the public body approves minutes of the closed meeting that meet the written minutes requirements of subsection (a) of this section.

ACTION: Motion to approve Press Plus Issue 121 as presented.

7. **BUS GARAGE GUTTER QUOTE:** Administration is recommending installing the larger gutter for \$615 and Ice guards for \$928 to the north side of the bus garage . (Total \$1543) Because of the type of roof on the building, the gutter has to be hung by straps. The ice build-up on the roof and gutter in the winter has a great deal of weight causing the straps to bend and damage the gutter. The roof currently does not have the ice guards on it. Having them installed would prolong the life of the gutter and help eliminate problems in the future. [QUOTE](#)
