Shoals, Indiana

EC Students

EC Teachers

SLT

Higher Ed Partners

Shoals High School, also known as the Mighty Jug Rox, with approximately 200 students, is always seeking ways to expand opportunities for students. We like to say we are small but mighty. We currently offer the Indiana College Core to provide our students with the opportunity to complete their first college year. We are continuing to implement additional pathways for our students to have access to, especially the Associates degree. Thirty-one early college courses are offered for students to get a head start and to save money.

The RECN School Leadership Team puts in a lot of time brainstorming and preparing opportunities for our students. Team consists of Dr. Sue Lanham, Ms. Kindra Hovis, Mrs. Tina Rue, Mrs. Kallie Fuhrman, Mrs. Danielle Cornett, Mr. Ben Kent, Ms. Myrna Greene, Mr. Tim Bauer, and Miss Megan Hawkins.

SHOALS HIGH SCHOOL ENDORSED IN MARCH 2023
