ENVIRONMENTAL CHECKLIST

BONNEY LAKE HIGH SCHOOL EXPANSION
AND REMODEL PROJECT

SUMNER-BONNEY LAKE SCHOOL DISTRICT has prepared a SEPA Environmental Checklist for the proposed Bonney Lake High School Expansion and Remodel Project. The Project includes the following elements:

- 42,000 square foot classroom and administration addition and 16,000 square feet of renovation of the existing school building.
- Renovation of the existing baseball and softball fields and the multi-purpose field with synthetic turf fields and lighting to provide year around availability for students and the Bonney Lake community.
- Improvements to the on-site queuing and pick-up and drop-off areas.
- Construction of a multi-lane roundabout at the intersection of 199th Avenue Court East and the High School driveway on 199th Avenue Court East.

Bonney Lake High School is located at 10920 199th Avenue Court East, Bonney Lake, Washington (Pierce County Tax Parcels Nos. 519033005, 519044027, 519044013, 519044014, 519048020, 519048019, and 519048018).

The District's Environmental Checklist is available for review on the District's website at: <https://www.sumnersd.org/about-us/overview/construction/construction-process> or at the Reception Desk of the District's Administration Office at 1202 Wood Avenue, Sumner, Washington.

Written comments on the SEPA Environmental Checklist associated with the Bonney Lake High School Expansion and Remodel Project must be submitted by 5:00 p.m. on June 1, 2026, to:

Matthew Guilanians, Project Manager
Falcon & Fern LLC
