

Welcome to SECOND GRADE

Mr. Holcomb's Classroom 2026-2027

I am so excited for the 2026-2027 school year! 2nd grade is both an exciting, and important grade as students develop the skills they will need as they move into the intermediate grades. I have high expectations for all my students, and will do everything I can to support their learning and development over this school year!

To Do

I would like to know the best email to reach you. Please send me a quick email with your student's name in the subject line, and a short message about your student, and any other contact info you would like for me to have!

About Me!

I grew up right here in St. Pete, and am a graduate of Pinellas County Schools myself. I graduated from the University of South Florida with a Bachelors in Education after working in schools all around the county. This will be my fourth year at Bay Vista, and my third year teaching second grade. In my free time you can usually find me either bowling with friends or reading almost any genre of books, from non-fiction to fantasy.

Pencils, erasers, glue sticks, and expo markers will be shared by the class.
