

AGES 13-17

## YOU DON'T NEED ANOTHER CLASS. YOU NEED A LAUNCHPAD.

A hands-on program where teens use AI, build real skills, and launch something of their own.

### IS THIS YOU?

#### WHO IT'S FOR THE RIGHT FIT

- Ages 13-17
- Curious, driven & independent
- No business or coding experience needed
- Done with frameworks that don't excite you

#### WHAT YOU GET THE TOOLKIT

- DISC behavioral assessment
- AI mastery: ChatGPT, Midjourney & more
- Step-by-step business launch framework
- Real-world sales & communication skills

#### THE OUTCOME THE RESULT

- From zero to first dollar online
- A real product or service launched
- No fluff. No theory. Just execution.
- Spots limited to 12 students

"My son went from playing video games all summer to launching a graphic design service using AI. He made \$400 in his second week."

SARAH T. — PARENT OF 15YO

"I actually built something people are paying for. Learning how to use AI to build a business changed everything for me."

MARCUS J. — STUDENT, 16YO

READY TO BUILD SOMETHING REAL?
