Make a list of traditions you studied in class and explain each.

Students enrolled in AP Spanish are required to complete the summer assignment prior to the start of class in August. Summer assignments have been selected to continue the development of more advanced communication skills in listening, speaking, reading, and writing.

General Directions: Read the assignment descriptions carefully. Each assignment has some required activities. You may use dictionaries, grammar books, www.wordreference.com, etc. Local libraries and native speakers of Spanish are excellent sources. You may enjoy watching videos or television programs with other AP Spanish students, and discussing the activities and your opinions is encouraged. However, your work is still yours, not the other students'. You may have the same conversations, but your logs will be different, since each one of you will report what you learned and talked about during the conversations.

Assignment # 1: Familiarize yourself with the exam. Become familiar with EVERYTHING that is published on the AP website about this exam.
https://apstudents.collegeboard.org/courses/ap-spanish-language-and-culture

a) When you have done this, please write a short summary (70-80 words) in Spanish of what you learned about this exam. Include some ideas of how you will be able to study best over the course of the year.

Assignment # 2 Reading
You will read 5 articles in Spanish from a Spanish-language newspaper or magazine. You may choose articles that are interesting to you and appropriate for school. Please do not choose more than two articles on the same topic. You must be able to relate the articles to one of the six AP themes. These articles must be written in Spanish and may not be translations of an article in English. Prepare a short summary in Spanish of each article (8-10 sentences). Make a list of important vocabulary words (5-8) and their definitions in Spanish. Print a copy(or save it as PDF) of the article and be sure to include the reference from where you obtained the article. You may want to get your article from the website,
a) http://news.bbc.co.uk/hi/spanish/news/
b) La Nación Argentina http://www.lanacion.com.ar/
c) El País (España) www.elpais.com
d) Centro de Noticias ONU http://www.un.org/spanish /News/
e) El universal México https://www.eluniversal.com.mx/

Assignment # 3: Writing

You will write 4 journal entries in Spanish. You may not get help from a friend or website but you may use a dictionary if needed. You should be creative and your information does not have to be true, but your writing should be organized and make sense to the reader. You must use the ideas below for your journal entries:
a) a description of a popular tradition or celebration
b) a description of how your family celebrates major holidays
c) an autobiographical description of your family's most important tradition
d) a biography of a superhero, a famous person, favorite person
e) a description of a favorite movie, book, or musical group

h) an essay to explain the importance of vacations and time off
i) an essay to describe a new summer holiday
j) a list of the top 10 reasons you are taking AP Spanish Language

Assignment # 4: Listening
You should complete 3 hours of listening. You must write a short summary of the activities you choose but remember the emphasis is on listening. You will give a brief oral report to the class in the first week of school about your listening activities. Choose from the following activities to complete your 3 hours:
