

Advanced Placement Literature & Composition seniors! I'm looking forward to working with you in the fall. This year I am streamlining the summer assignment. Everyone will read *Pride & Prejudice* by Jane Austen. You may check your copy out in the library *or* buy a copy of your own. Please be ready to answer multiple choice, short answer, and short (3-5 paragraph) essay questions over the book *on the first or second day of class*.

If you read the book early in the summer, it's advised you revisit it in the last week or two to 'refresh' yourself before my class begins.

Expecting a pretty great year,

Mr. Shull
