TO STUDENTS IN NONPUBLIC SCHOOLS**

ADDENDUM 1

1. **Question:** Is the district looking for stand alone PD within this RFP's scope of work? Or is the district looking for PD that aligns with the requested services? For example, does a potential bidder need to provide the service requested in the RFP and professional development to accompany it?

Answer: The PD can be stand alone, as long as it aligns with the purpose and requirements of the funding source.

2. **Question:** I am writing to determine if we can respond to the RFP above by providing Tier 2 and 3 student resources, the teacher platform and virtually delivered professional development and support or if we also need to include in-person coaching?

Answer: Most of the schools in question do not allow students or staff to use computers.
