

For the Honors Chemistry summer assignment, students will complete several short modules in the Honors Chemistry Summer Canvas course. To be added to the course, please email me at jelloyd@usd232.org.

The deadline to complete all modules is August 16 at 11:59 p.m.

These modules will count as the student's first quiz, homework, and test grades for the first quarter.

Please let me know if you need any additional information or assistance.
