Commencement Exercises

Class of 2026

“Architects of Change: Building Tomorrow”

Tuesday, the Nineteenth of May
Two Thousand Twenty-Six
Three O’clock in the Afternoon

Georgia Institute of Technology
McCamish Pavilion
Atlanta, Georgia

Audience Code of Conduct

It is the right of every senior and all other involved persons to expect a dignified commencement worthy of their time, effort, and financial investment. This occasion should reflect the highest possible excellence in accordance with established etiquette and protocol. Anything less defeats the real purpose and nullifies the unique educational value of commencement. To provide deserving, memorable moments to be treasured throughout the life span of the graduates, there must be cooperation between participants, planners, and the audience. The audience can pay their personal love and respect to their loved ones, as well as to all graduates, by following the guidelines listed below:

1. Do not reserve seats by placing personal possessions in them. Occupy only the seats in which you, your family, and your guests are seated.
2. Follow the directions of the ushers and guides.
3. When names are called to issue diplomas, it is important that each family has an opportunity to hear its graduate's name. Save your applause until all diplomas and honors have been presented.
4. Refrain from blocking the view of others by standing, taking photographs, bringing balloons into the venue, or otherwise obstructing the processional.
5. Refrain from any conduct that might detract from the ceremony (catcalls, yelling, obscene gestures, etc.).
6. Use common courtesy in relation to other members of the audience.
7. Remain seated for the recessional.

NOTE: Any person suspected of being under the influence of drugs or alcohol is subject to removal by the proper authorities.

Achieve Atlanta

Achieve Atlanta believes every APS student deserves the opportunity to complete post secondary education and obtain the full benefits that higher education provides. Achieve Atlanta’s primary aim is to harness the power of the Atlanta community—its resources, talent, and ideas—to dramatically increase the number of APS students graduating from college. Achieve Atlanta serves all APS students through partnerships with direct-service organizations, institutions of higher education, and key players in the college success community.

Achieve Atlanta focuses on getting more students to and through college by:

- 1) Increasing college access.
- 2) Removing financial barriers for students.
- 3) Supporting college persistence and completion.

Achieve Atlanta aims to be part of a system that transforms the lives of students, their families, and the City of Atlanta. The ultimate goal is to develop educated, skilled individuals and, in the long run, address the income inequality and lack of economic upward mobility in our city.

For more information about Achieve Atlanta, visit www.achieveatlanta.org, email info@achieveatlanta.org, or call 404-880-3500.

This is not an official graduation list. This printed program lists students who were candidates for graduation at the time this program went to press, pending the final outcome of final exams and final grades. Therefore, it should not be used to determine a student’s academic status. The official registry for conferral of diplomas is the student’s permanent record. The school’s official roster of graduates is on file in the principal’s office.
