

Comprehensive Review Update – Family Message

Charlotte-Mecklenburg Schools Families,

To ensure we hear directly from our staff, families and community, Charlotte-Mecklenburg Schools is extending the timeline to gather feedback on the Draft Plan in Response to the 2024 Comprehensive Review.

We know meaningful dialogue is critical, and this additional time allows more opportunities for every voice to be heard before decisions are finalized. Please review the important updates below.

Visual & Performing Arts, Montessori, World Languages, STEM, Early/Middle Colleges

Community engagement will continue over the coming days, with a focus on gathering input from students, staff, and families impacted by the proposed changes.
