Tentative Transfer Guideline Considerations

Note: These guidelines would not be a guarantee for any specific year, but would be utilized along with many factors, including multi-year enrollment projections, demographic data, and district trends to determine a school status by November before the transfer window opens each year

- RED – School completely closed, including to siblings of current students (WPHS now)
- ORANGE – School is closed, but will accept siblings of current students (WHS now)
- YELLOW – School is open to intradistrict transfers only
- GREEN or WHITE – School is open to all transfers (intras and inters)

Next Steps

- Board action on proposed boundaries
- Future discussions on:
 - Grandfathering
 - Program Specialization
 - Transfer Policies
