NLM

Special Education Local Plan Area (SELPA)

The SELPA supports by:

- Coordinating special education programs and services across the district
- Ensuring that students get the appropriate supports
- Providing training and resources for staff and families
- Providing input into the development of the Local Plan

Community Advisory Committee (CAC)

ABOUT US

The CAC is comprised of members representing the community:

- Parents of students in special and general education
- School site and district staff
- Students and adults with disabilities
- Community members

What We Do

- Promote collaboration between families and schools
- Support activities on behalf of individuals with exceptional needs
- Assist in parent awareness regarding regular school attendance
- Provide input on the SELPA Local Plan

ALL ARE WELCOME

Everyone can:

- Attend CAC meetings
- Join parent workshops
- Learn about programs and services
- Share experiences and ideas
- Connect with other families

CAC members:

- Supporting families in the community
- Provide recommendations to the Local Plan
- Plan and coordinate parent engagement opportunities
