A Note From the SCE Library
The Summer Reading Challenge

Dear Tiger Families,

We hope you are enjoying the start of summer and looking forward to all the exciting opportunities ahead for the 2026-2027 school year!

As we prepare for a new school year, we would like to take a moment to recognize and thank Mrs. Jessica Harrelson for the incredible work she has done in creating a welcoming and inspiring library space for our students. Through her dedication, care, and passion for literacy, she has helped foster a true love of reading and learning within our school community. The library has become a place where students feel encouraged to explore, imagine, and grow, and we are so thankful for the impact she continues to make.

I would also like to take this opportunity to introduce myself. My name is Meagen Cox, and I am excited to join SCE as the librarian for the 2026-2027 school year. I am currently an educator within the district and a proud Conway resident. Supporting students and helping children discover the joy of reading has always been a passion of mine, and I cannot wait to meet all of the students and families next year. I look forward to partnering with you to make the library a fun, engaging, and meaningful place for every child.

To help keep our students reading all summer long, we are excited to kick off our Summer Reading Challenge! Students are encouraged to read and log 12 books over the summer break. Reading logs may be completed online or by using the attached paper reading log. Explore the attached fliers for more information.

All students who complete the challenge and turn in their reading log will be invited to celebrate next September at our Summer Reading Challenge Party! We hope this challenge encourages students to continue building strong reading habits while enjoying great books throughout the summer.

Thank you for your continued support of our school and library program. We hope your family has a safe, relaxing, and book-filled summer!

Warmly,
Meagen Cox & Jessica Harrelson

Summer Reading Challenge at SCE

Horry County Schools

Instructions

-The Summer Reading Challenge starts May 27th, and all books are to be recorded online by Sept 2nd or on logs turned in by Sept 3rd.

-Books read can be logged on the paper recording sheet or online through Beanstack on your ClassLink dashboard.

Use the Reading BINGO sheet to add some fun to your reading.
