Monday, May 25

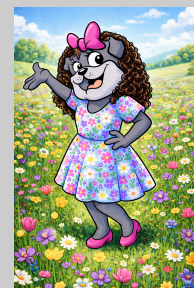

No School

Memorial Day

Principal Corner

Holbrook Public Schools, including JFK, will be transitioning to paperless report cards, IEP documentation, and enrollment/registration forms through the Aspen online platform for the upcoming school year.

If you do not currently have an Aspen parent account, please contact our IT Department at support@holbrook.k12.ma.us to request that an account be created for your family. When reaching out, please use the email address that is currently on file with the school.

Please note: if you already have an Aspen account for an older child attending HMHS, you do not need to create an additional account. You will be able to access information for all of your children through the same account.

We are currently accepting applications for our 3-year-old preschool program, and we have two spots still available!

A MEMO
FROM
— THE —
SCHOOL
NURSES
Office:

Allergy SEASON!

As spring is in full swing, so is allergy season! Many students are affected by increased pollen levels, which can lead to symptoms such as sneezing, itchy eyes, runny nose, and congestion. These symptoms can make it difficult for students to stay focused and comfortable during the school day.

TO HELP YOUR CHILD MANAGE SEASONAL ALLERGIES AND FEEL THEIR BEST AT SCHOOL, PLEASE CONSIDER THE FOLLOWING TIPS:

Be sure to provide their allergy medication at home before arriving at school.

Keep windows closed at home and in the car to help reduce pollen exposure.

Encourage your child to wash their hands and face after outdoor activities.

Have your child change clothes after spending time outside to limit bringing pollen indoors.

Monitor local pollen counts and limit outdoor time on high pollen days when possible.

Use air purifiers or clean air filters at home to improve indoor air quality.

Consult your child's healthcare provider for guidance on the best allergy treatment plan.

PLEASE NOTE: The school does not provide seasonal allergy medications. It is important that students come to school prepared to manage their symptoms.

Thank you for your support

in helping keep our students comfortable, healthy, and ready to learn during allergy season!

Field Day Volunteers

We're excited to share that our upcoming Field Day is right around the corner! To help make this event a success, we're looking for volunteers to support various activities throughout the day. All volunteers must have an active CORI on file with the district.

If you're available and interested in helping out, please consider signing up using the link below:

<https://www.signupgenius.com/go/4090C4CACAB29A0FD0-63856323-jfkfield#/>

Your time and support make a meaningful difference in creating a fun and memorable experience for all participants. Thank you in advance for your involvement!

Attention 5th Grade Students!

Ready to learn the ins and outs of video production from Code Blue HMHS students and HCAM staff ?

You're in luck! This summer, we're hosting a fun, hands-on, week-long program designed for incoming HMHS 6th, 7th, and 8th graders. Students will learn the basics of video production while creating their own content in an exciting, supportive environment.

Two session dates available!
Space is limited!

Don't miss your chance to learn, create, and be on camera—
sign up today!
