Dear Classmate,

As unbelievable as it seems, it will be fifty years ago in June that we left the halls of University City High School and went out into the world – a group of confident and naive 17 and 18 year olds seeking life's next journey.

We know the past five decades have brought a wide variety of events and experiences into our lives. Each of us has grown and changed. Each has discovered the complexities of life beyond our high school halls.
So, come join us in a celebration of the friendships that have shaped us and the memories that remain.

Please spread the word and help make sure EVERYONE knows about the big event. Phone your fellow class of '76 friends, jump on Facebook, Instagram, pull up your contact list... we want to see everyone at the reunion!

You will be missed if you don't attend, so come and make our milestone 50-Year Reunion one to remember.

See you there!
