

Parent Bulletin Friday 15th May 2026

Dear Parents and Carers

The weather has certainly kept us on our toes this week! Thank you to all the Year 7 parents who attended parents' evening yesterday, it was a great evening with plenty of good discussion. Our students excelled themselves at a Dance Festival this week and we also had some great individual successes at the District Athletics. The exams are continuing well and voting has been taking place for next year's Student President. Final interviews are on Tuesday.

Mobile Phones

I will shortly be writing to you with details of how we will implement the Government ban on mobile phones in schools from September. For students in Years 7-11 this will mean no access to phones **at all during the day** and if parents need to contact their children this will be via Reception. Students in the Sixth Form will have limited access. At this stage I am not proposing to collect in phones in the morning or give students pouches to lock them in. We will be issuing students with a diary for recording things like their timetable to help them with their organisation.

Online Safety

This week's online safety guidance is about what parents need to know about Essential Online Safety. You can access the details online [here](#).

Finally, next week we break up for the half term holiday on Friday. It is a normal school day with a 2.30pm finish and we restart on Monday 1st June.

Have a great weekend

Yours sincerely
Peter Collins
Headteacher
