

Employee Benefits Broker and Consulting Services

April 27, 2026

RFQ Addendum #1

1. What benefit administration technology is being used today?

The district currently uses Skyward. The district will be partnering with Bentek in the near future

2. With regards to employee benefits, what does the business office/HR spend the most time on?

Basic questions, qualifying events, optional coverages, open enrollment etc.

3. How many printed copies of the proposal should be mailed to the district for our response?

3 printed copies will be sufficient along with digital copy of submissions.
