A weekly, trunkated note from Dr. B

The Bronstein Brief

Happy Friday, Somers!

I had the honor and privilege to attend a special breakfast this morning to celebrate our Somers Central School District bus drivers for "Bus Driver Appreciation Week". Thank you to our PTA Council for sponsoring this wonderful recognition, and thank you to our bus drivers who work diligently to get our students safely to school and back home each day.

Tusker Pride

SIS students had an incredible opportunity to learn from the acclaimed children's author of the "I Survived" series, Lauren Tarshis, during a recent visit!

She took students behind the scenes of her writing process, sharing how ideas grow into full stories and the research that brings her books to life. Students also explored what makes historical fiction unique, blending real events with imaginative storytelling to help readers connect with the past in meaningful ways.

As an added highlight, students got an exclusive sneak peek at her upcoming book, sparking excitement and inspiration. A memorable experience that brought history, writing, and creativity together!

'Tails' of Triumph

Please join us in cheering on four outstanding Tuskers as they compete in the 2026 NCAA Division I Women's Lacrosse Championship Tournament beginning today!

Wishing the very best of luck to Sydney Ingraham (Notre Dame), Lauren McCartin (Yale), Gabriella Parisi (Stonehill), and Teagan Ryan (Colorado) as they represent Somers on the national stage. Your Tusker family is proud of you!
