

2026 Summer Food Program Feeds Kids for Free

With summer right around the corner, it's time to think about keeping children eating healthy while school is out. Belton ISD provides free meals to children during the summer.

****Meals must be consumed on-site****

Each year, the U.S. Department of Agriculture partners with local organizations like Belton ISD to provide free meals to children when school is out for the summer. No cost for kids 18 and younger and enrolled students up to 21 with disabilities. For more information about the National Summer Food Service Program, visit Summerfood.org or Call 211
