## Am I eligible for SAR accommodations?

The SAR department assists eligible students with disabilities that impact their academic functioning and coursework.

Does your disability affect one or more of the following major life activities impacting participation?

- Learning
- Thinking
- Concentrating
- Seeing
- Hearing
- Communicating
- Mobility

*If the answer is yes, contact SAR to see if it is a good fit for you.*

## Steps to receiving accommodations and resources:

- Complete "Student Request Form" online (QR code found on back of flyer)
- Provide proper documentation for disability (QR code found on back of flyer)
- Once all documentation and request form are complete, you must set up and attend an intake meeting with our coordinator. During this meeting, you will work with the coordinator to go over resources and accommodations that best fit your needs and class schedule.
